International Conference on
Computing in Civil Engineering 2026

i3CE 2026

June 14(Sun) – 17(Wed), 2026
Songdo, Incheon, Korea

Call for Papers

2026 ASCE International Conference on Computing in Civil Engineering (i3CE 2026)

We cordially invite you to the 2026 ASCE International Conference on Computing in Civil Engineering (i3CE 2026), which will take place on June 14-17, 2026, in Songdo, Incheon, Korea. For detailed information on the conference and submission guidelines, please visit: www.i3ce2026.com

Technical Areas

- **Track 1.** Artificial Intelligence in Design, Construction and Operations
  Computer Vision, Machine Learning, Generative AI including LLM, VLM, etc.
- **Track 2.** Robotics & Automation in Construction
  Robotics in Civil Engineering, Automation, Teleoperation, etc.
- **Track 3.** BIM, Reality Capturing, and Digital Twins for Infrastructure
  Interoperability, Scan-to-BIM, Real-Time Data Integration and Synchronization, etc.
- **Track 4.** Visualization and Extended Reality
  Virtual Reality, Augmented Reality, Mixed Reality in Civil Engineering, etc.
- **Track 5.** Sustainable and Resilient Infrastructure Systems
  Predictive Maintenance, Infrastructure Risk Modeling, etc.
- **Track 6.** Human-Centered Innovations
  Human-Machine Interface, Human-Robot Collaboration, Human-Building Interaction, Wearable Technologies, etc.
- **Track 7.** Health and Safety Technologies
  Safety-related Technologies, Safety Monitoring, Emergency Response Technologies, etc.
- **Track 8.** Technology-Enhanced Engineering Education and Training
  Virtual/Augmented Reality for Education, Education Technologies, E-Learning Platforms, Interactive Learning Environment, etc.

Important Dates

- Call for Papers Announcement: September 8, 2025
- Abstracts Submission Deadline: November 15, 2025
- Abstract Acceptance Notification: December 13, 2025
- Full Technical Papers Submission Deadline: February 1, 2026
- Full Technical Papers Acceptance Notification: April 1, 2026
- i3CE 2026 Conference: June 14-17, 2026
